

MEMBER SPOTLIGHT: 3STEPS4WARD

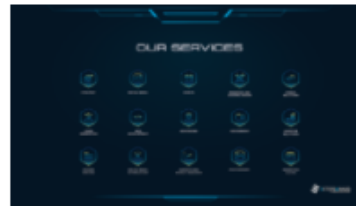

Uncategorized

December 16, 2020

3STEPS4WARD is a marketing company founded on the principles of business for positive social causes. They help small businesses, startups, entrepreneurs, and nonprofits from any sector succeed in their missions through creative digital marketing.

The 3STEPS4WARD family is a collective of marketing experts, strategists, and creatives seeking to make a better world. Their founder and CEO is Douglas Younger III, a 20-year international marketing veteran from enterprises including Siemens Healthcare, GE Healthcare, Baxter Healthcare, and Ekso Bionics. 3STEPS4WARD specializes in tech-forward marketing approaches to lead generation, social media, personal brand management, customer relationship management, economic argumentation, web development, fact-based value proposition, geofencing, native advertising, podcasting, public relations, investor relations, and more.

3STEPS4WARD's available services

What's behind the name? 3STEPS4WARD is a claim to the sentiment that getting back up is more powerful than being knocked down. They hold the belief that taking two steps back to rethink, relearn, and revisit is crucial to taking **three steps forward** and reaching one's fullest potential—both in business and in life.
